DESTINATION CYPRUS

Cyprus is our home base, where we have been welcoming thousands of visitors for decades.

Aiming to satisfy various segments of the travel market, we have established Louis Hotels across the island. Our hotels in Cyprus have been adapted to the needs of holidaymakers, wedding couples, business travellers as well as sports and special interests groups, professional athletes and nature lovers.

Choose Cyprus for its location, weather conditions, training infrastructures and high quality food. Despite your customers' needs, there is a Louis hotel for them in Cyprus.

Nicosia, the capital of Cyprus, is a multicultural European destination, an international business centre, and a historical treasure trove. A day tour will introduce you to Nicosia's charming and thoughtfully renovated Old Town, its archaeological and more specialized museums, its established local handicraft centre and the high-end popular shopping areas. In between, visitors will discover the population's main pastime: casual dining and café hopping!

Limassol is where the action is. It is the shipping and commercial hub of Cyprus, but also the party town of the island with the most popular festivities. From the Carnival to the annual Wine Festival and several other local celebrations throughout the year. The town's vibrant personality makes it a favourite amongst travellers who want to combine both business and pleasure. A destination packed with cosmopolitan entertainment, exciting nightlife and fine dining options.

Paphos, the island's western coast and the birthplace of Aphrodite, offers an amazing mix of history and mythology, natural beauty and resort atmosphere. With its abundance of world-famous archaeological sites, the town was declared a UNESCO World Heritage site. As such, it attracts nature enthusiasts, holidaymakers seeking outdoor fun and activities, but also a significant number of couples who are planning an overseas wedding in an environment that echoes love and romance.
